FCC NTX Update - Essay due 4 Dec

You should have all submitted your Project Plan I and II. If not – you are not disqualified. You just won't receive more than half credit for this piece. Next up....

CITY ESSAY DEADLINE – 4 December.

This is the first (no points deducted) due date. Last date to submit the City Essay is 18 December 2023.

In case you missed the Theme Webinar in October:

- [2023-24 Future City Theme Webinar \(Video\)](#)
- [2023-24 Future City Theme Webinar \(Slide Deck\)](#)

Other Essay resources:

- See the handbook for rules, suggested outline, topic overview and research ideas.
- Research ideas and references on Educator Dashboard
- Copies of past winning essays from NTX (http://www.dfwfuturecity.org/team_rsrc.html - "where to learn more")

Upload essay to NTX CMS: <https://secure.dfwfuturecity.org/NorthTX/Teachers>

Do not upload to the Educator Dashboard (<https://dashboard.futurecity.org/>)

HONOR STATEMENT AND MEDIA WAIVER FORMS

I've attached copies of the Honor Statement and Media Waiver forms that we use in NTX.

These are paper forms that you need to sign and upload to the NTX CMS:

<https://secure.dfwfuturecity.org/NorthTX/Teachers>. Due in January.

I understand that FCC Headquarters has been requesting Honor Statements to be submitted on the Educator Dashboard. If you have already done that – great. However, I don't have access to that information (who knows why??), so if you could take a screenshot of the information and upload it in place of the paper form, that would suffice for our requirement.

NEXT PHASE IS SCALE MODEL – You should already be collecting recyclables for building materials for your scale model. More on Model resources in the next update email.

Here's wishing you a happy Thanksgiving holiday.
